## On "The Go" with CDO!

### From the Directors' Desk...

Fall is definitely here! The sky is a little grayer and there's more rain but God's beautiful creation shines through in the colorful trees.

### Looking Back

The children were so brave during our fire drill. The noise is very loud but we exited the building quickly and quietly.

Our photographer Gary Martin again had a wonderful time taking our pictures! The children are so funny and animated. He plans to return all the pictures before Thanksgiving.

There still may be opportunity to play outside. Please dress appropriately and bring a jacket.

### Looking Ahead

Halloween dress up days are Monday, Oct 30th and Tuesday, Oct 31st. Children love to dress up! Please wear a two piece costume and leave any accessories at home.

November is our annual coat drive. Please bring your gently used winter gear of all sizes. We will pass it along to our Native American friends in Sisseton, SD.

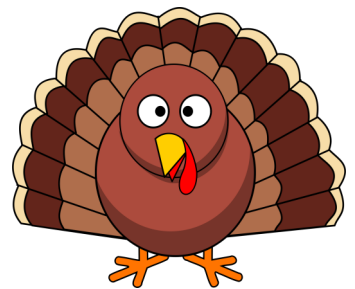

Turkey Feather Time—Everyone will receive a turkey feather to decorate as a family. Please bring it back and we'll display it on our CDO turkey for Thanksgiving.

Everyone loves Melody Monkey!
