

A Note From Rev. Clinton Roberts

"Think of us in this way, as servants of Christ and stewards of God's mysteries. Moreover, it is required of stewards that they be found faithful." (1 Corinthians 4:1-2)

Dear Knox Members and Friends:

In my office at church, two photographs are displayed above my bookshelf. The first one (taken in black-and-white) shows my parents and siblings all dressed up in their Sunday best. They are gazing (more or less) lovingly at an infant dressed in a long, white gown held by a personage dressed in a long, black one. The occasion was my baptism. It makes me think of Paul's words: "*For the promise is to you and to your children and to all that are far off, every one whom the Lord our God calls to him*" (Acts 2:39). My mom and dad made a promise that day to raise me in the Christian faith and to show me the love of Jesus. More than half a century later, I can say with deep conviction that they honored that promise with their lives and in their deaths. They were by no means perfect parents (I haven't met any of those yet), but as stewards of my siblings and me, they were "found faithful."

The second photograph (taken in color) depicts my father (dressed in black) baptizing our son Evan (dressed in white) as Deb and I stand gazing on lovingly. It reminds me daily that faithfulness is truly an ongoing gift of trustworthiness; something that must be first received before it can be "paid forward"—before it can be given away. "*We love, because God first loved us*" writes John the Evangelist (1 John 4:19). This is precisely why we are called to be stewards and not owners of God's mysteries of grace.

Soon there will be a third photograph displayed prominently above my bookshelf. This time, the personage dressed in black will be me. And the infant dressed in white (while Evan and his wife Ashleigh gaze on lovingly) will be our granddaughter Grayce Mae. More than half a century will separate the first photograph from the third. What will hold them together is the trustworthiness of God's promises—for our lives and in our deaths. What continues to hold us all together is *the old, old story of Jesus and his love*.

"*Jesus Christ is the same yesterday, today and forever*" (Hebrews 13:8).

With joy,
Clinton

November Sermon Series

found faithful

with all

1 Corinthians 4:1-2

"It is required of stewards that they be found trustworthy."
(1 Corinthians 4:2)

The most valuable thing that we as human beings possess is trust or faithfulness between persons. This is also our most fragile possession. The NIV Bible rendering of the verse above is "Those who have been given a trust must prove faithful." We might define faithfulness as "love that lasts," that can survive tests and difficulties.

We talk more about love than about faithfulness, but what is love without faithfulness? What is God's love for us without faithfulness? What is our love for one another without faithfulness? What is our love of God without faithfulness?

November 3 will be the beginning of a four-week stewardship emphasis for our congregation called "Found Faithful." We will learn how to become more faithful stewards as we explore what it means to be:

- found faithful
- faithful in little
- faithful with much; and
- faithful with all.

Watch for more information as we begin this exciting time of exploring how God is calling us to be faithful—as individuals and as a community of faith.

PIE -- YOU KNOW YOU LOVE IT!

October 27 kicked off the start of the Frozen Fruit Pie fundraiser to support the college mission trip to Haiti. Students and their adult sponsors will be leaving December 29 to do work projects at the New Life Children's Home. We will also be providing a Vacation Bible School for the children who live there. Funds raised from the sale of pies will help to purchase the supplies needed for both of these endeavors. Pies are handmade, delivered frozen from Michigan, and are ready to

pop into the oven. Several fruit flavors are available, including traditional holiday favorites like pumpkin and apple. Pies can be picked up November 24 following both services, just in time for Thanksgiving. If you cannot be at church that day but would still like to order, please let us know to see if we can accommodate your schedule. Any questions, please

contact Kelly Urbon at kurbon@sbcglobal.net. **CLICK HERE TO BUY PIES.**

Operation Christmas Child Shoeboxes

When a child's life is turned upside down, moments of delight seem rare and fleeting. So when 11-year-old Amica Clement received her Operation Christmas Child shoebox last December she welcomed a reason to rejoice. "I never received anything like this before," she said. "I was so happy because everything I had was destroyed in the earthquake." She was one of hundreds of excited children who filled the sanctuary of Second Baptist Church in Titnyen for an Operation Christmas Child distribution last December.

This scene will be repeated in over 100 countries this Christmas as millions of children receive gift-filled shoeboxes.

Knox has been a part of this valuable ministry for many years and this year we have set a goal to collect 80 shoeboxes that will share hope and the promise of God's love for children all over the world.

If you would like to participate, pick up a "How to Pack a Shoebox" flyer in the commons. All donations must be returned to Knox by Sunday, November 17th.

Loaves & Fishes

*For a family struggling financially, a ho
meal is more than food. It can be a sense
normalcy if, at the promise of a better
future for someone without work, and a
reminder of a community that cares.*

With your help, Loaves & Fishes can show all those families impacted by our economy that they are not alone. For just \$25, a fraction of what most of us spend at the grocery store, Loaves & Fishes can provide a complete holiday meal for a family of 8. Thank you for helping us provide hope this holiday season!

Knox will celebrate and give thanks for all of God's blessings. And that includes the gift of singing!

Both Prime Time and JAM Choirs are invited to choose either the 9:00 am (meet in choir room at 8:40) or 10:30 am (meet in choir room at 10:10) service. Knox Staff Opening...

Our Facilities Manager, Dick Wheeler, will be retiring this December and Knox is starting our search for a special person to fill this role. The Facilities Manager position is responsible for maintaining and managing our Knox Campus. In addition to the required technical skills, we are looking for someone that has a genuine love for people, strong organizational skills and the ability to communicate well with both church members and the general public. This is a flexible part time salary position, working an average of 15 hours a week. To see a full description of the tasks, responsibilities and qualification for this position please go to knoxpres.org and click on Job Opportunities under Events & Announcements. Send your resumes to jtanck@knoxpres.org

New Knox Website Coming Soon!

Earlier this year our Knox website team asked members to complete a short survey on look, flow, and usefulness of information on our website at knoxpres.org. We reported in August that we had a great response to the survey. Members identified areas of the website that they liked and you also gave us areas that you wanted us to focus on improvement. As a result of your feedback we will be introducing a new and improved website by December 1st. We have selected a new website vendor and our committee is hard at work finalizing the design and adding details and information.

Based on your feedback the new site will have a cleaner look with the goal of making things easier to find. We will have simpler menus, a new search bar, and a revised calendar. Most of the current pages including Knox News, sermons, links to Knox Connections, and your favorite pages will be transferred directly to the new site. Some out of date pages will be eliminated. The site is also being designed to present information easier on mobile devices.

Our goal is to launch the site with no disruption in service so we will cut over to the new vendor as soon as we are ready. We hope you love the new site and welcome any comments once we have launched. If you have any questions please contact Joan Tanck at jtanck@knoxpres.org.

Dakota Partnership Christmas Angels

Many Native American children (and their parents) in Sisseton, South Dakota eagerly await the Christmas gifts that Knox generously provides, and we are continuing the tradition. Angels will be placed on the tree beginning the Sunday before Thanksgiving – November 17.

To help grant those wishes please:

Choose an angel and a volunteer will present you with a wish list and complete instructions. (A volunteer will be at the table after services on Sundays. If you take an angel when the table is unattended during the week please make sure that you leave the angel filled out and take the appropriate form.)

Wrap the gift(s) and put into a Christmas bag. (NO boxes, please).

Return the gifts to church and put under the Christmas tree by December 15 before the first service.

We always need extra gifts to supplement bags or give to children who have not returned their list, so if you don't want to sponsor a child, but you would like to help, you can donate items that children would like.

If you want a particular person or age please call Julie Milldrum [630-717-8240](tel:630-717-8240). Thank-you so much for participating with this valuable program that affects so many lives.

Again we have been asked to help *Companions Journeying Together* to collect Christmas cards to be sent to those in prison. I know Knox will want to support this worthy project as you have done so generously in the past.

The deadline is November 12, 2013 for getting them to us or the collection box on the Mission table by the Coffee Bar. It seems very early, but the prisons tell us that it takes a lot of time to examine each card to make sure there is nothing glued on it, or anything else enclosed with it. Please call us if you have any questions. We will gather to sign and address these cards on Wednesday, Nov. 13, at St. Thomas the Apostle Church, 1500 Brookdale Rd., from 9:00 am to Noon. Please join us. Thank you.

To participate in our annual Christmas Card project, please follow these guidelines:

- Please sign one or more Christmas cards. You can safely sign your name. We will use *Companions* return address.
- Add a message if you wish, but please do not be preachy.
- Attach a first class postage stamp on each envelope.
- Do Not seal.
- Do Not use stickers, glue or tape on the cards or envelopes.
- Do Not enclose anything.
- We ask that you be sensitive to the fact that many of these cards will be sent to people of color. Please choose cards, which represent a diverse population.

Christmas Card Fund

Instead of sending Christmas cards this year, Knox members are invited to join a longstanding tradition by offering Christmas greetings to the entire congregation while making a donation to Knox mission projects at the same time! A large Christmas card will be in the Commons area on the mission Table. Make checks payable to Knox Presbyterian Church, marking the memo section "Christmas Card Fund - *your mission choice*."

Mission projects to designate include Loves & Fishes Food Pantry, Hesed House, The Scott Moreau Fund, The Lehman Foundation Fund, and The Anne Sherren Scholarship Fund. You set the amount of your donation and either place it in the offering plate or give it to our Financial Secretary. Those signing by December 1 will be acknowledged in the Christmas Eve bulletin. Donations are accepted immediately but the card will be posted November 24 until New Year's Day.

Can you think of an easier way to send over 500 Christmas Cards? Contact Anne Sherren at 630-615-4325 with questions.

On a Personal Note...

We wish to express our gratitude for the outpouring of loving support from the Knox Community and staff during my mother's illness and passing. Thanks also to the prayer group and Deacons, who have kept Mom, Dad, and all of us in their prayers. Everyone's kindness and thoughtfulness have meant so much to us.

God Bless You,
Jo, George, Brian, and Eric Banta

My family and I want to send to the Knox community thanks for all the prayers, cards and care for my Mother Pearl Foote - first of all for the years of visitation, flowers and prayers the years she lived at Tabor Hills and then the move to Alden Naperville. Thank you for prayers and care the times she was hospitalized and Knox pastors for always being there for her, especially the prayers and being there while in the emergency room and hospital in August. For being with me at the funeral home and helping us thru her final days on this earth.

You can enjoy her special recipe for "Chicken and Dumplings" in the Knox Cookbook thanks to Alicia Story.

Thank You Knox Community
