

Dear Friends,

A recent cover in the Parade magazine of the Chicago Tribune had a garish, comic book- like picture of people huddled and screaming in fear. The title across the corner in equally garish script and color asked... "What Are You Afraid of?". This seems to be a topic of our times indicating that there is much to fear and that we live in scary times.

While waiting for a movie to begin last week at a theater, I was captive to many pre-movie 'trailers', most of which showed previews for one horrible horror movie after another. I finally decided that visually portraying the worst possible fears anyone can imagine may be a way for at least the movie goer to walk away and say, "whew...I survived that!", perhaps thereby gaining some sense of confidence.

What has been true since the beginning of time and through all scary times is actually a scriptural commandment... "Do not fear." This is mentioned hundreds of times in the Old and New Testaments. Our faith and trust in God's presence and promise will not remove the fears we face or the times we may endure. It may serve however to draw us toward God in all things, toward one another and toward a courage that comes beyond our humanness.

Then with the people of God gone before and with prophets, saints, angels and our Lord Jesus Christ, together we shall declare... "there is no fear in love, but perfect love (God's love) casts out fear... God is love and those who abide in love abide in God and God abides in them. Love has been perfected among us in this way..." 1 John 4:16-18

This Lent, let's face the challenges of our times and each day by discovering how God equips us to do so with love and courage.

Blessings in Christ,
Deb

The Season of Lent

Lent 2015 - Facing Your Fears

We all have fears. The world can be a scary place. This Lent, we will discover together the ways that God equips us to face our fears with hope and faith. We will even learn how to "cast out fear" and gain freedom from the captivity of our fears.

Lent begins with Ash Wednesday on February 18. This is a family friendly service led by our youth. Service begins at 7:00 pm in the sanctuary. First Sunday in Lent is February 22.

Our Lenten Cantata

This year, the music department of Knox will present the Lenten cantata, "Covenant of Grace" by Joseph M Martin. This compelling work celebrates God's faithfulness and His everlasting promises to His people. From the promises made to Abraham and David, to their fulfillment in Christ Jesus, "Covenant of Grace" is a testimony to God's redeeming work. The Chancel Choir, and Praise team will bring this message of hope on Sunday, February 22, at both the 9:00 and 10:30 services. Join us, as we offer a renewal of God's "Covenant of Grace".

By now you've had your star for a month. Any "epiphanies" or revelations in the past 30 days? We hope you will share them with us! Email Rev. Deb at droberts@knoxpres.org.

This month's star story from Bill Smith:

Star Story – January 20, 2015 by Bill Smith

Star Sunday is a special day in the Smith house, we all anxiously look forward to that first Sunday when we get to pick a new word for the year as well as find a new family to pray for. With our big family – we get all the fun times 5! My word for 2015 is CLEAR. Many years when I select my star, it takes quite a while for the word to make sense in my life. This year, there was no need to wait, it hit me immediately. I believe the word CLEAR is calling me to quiet my mind from all the distractions in my business life, and focus on what is truly the most important thing, my love for Jesus and my love for my family. As a guy who usually is comfortable running 100 miles per hour with my hair on fire trying to start and grow companies, I often have far too many thoughts, ideas, and pressures during the course of a day, and that leads to a muddled view rather than a CLEAR view. My task is to follow one of my favorite verses every day of my life: Psalm 46:10 "Be Still and Know That I Am God" and trust in the direction He takes me.

Have you looked up your new star word in the Bible? [Click here to learn more!](#)

How to use your star word as a devotional guide:

With Scripture:

Use a concordance and look up all the ways and times it is used in the Bible. Is there a particular verse or two that jumped off the pages for you? This word may start out with one set of meanings to you and over time take on a newer, more expansive understanding; an understanding that enriches your knowledge of scripture and your relationship with God.

With Relationships:

Your star word may guide you in your relationships with others. For example, if your word is "friend", friendship can go both ways..."to gain a friend, be a friend"... "What a friend we have in Jesus". You will have fun discovering the meaning of your word.

Prayer:

What a great comfort to know that you are being prayed for and what a wonderful opportunity to pray for another! Lord knows, we all stand in "the need of prayer". Our stars provide one more way to be a true family of faith, where care and concern are extended.

May this be a bright year of many insights and epiphanies!

Christianity 101

In response to growing demand for a basic training on our faith and our church, Outreach and Membership is pleased to launch an exciting new class called Christianity 101. This six week class will provide straightforward information on some of the key elements of our faith and life together at Knox. Topics will include:

- Why do we have religion? Who is God?
- What is the Bible, who wrote it, and why is it important today?
- Who is Jesus Christ?
- What are the key tenets of our belief such as grace, faith, and salvation?

- What is the church? How do we operate? How do we worship?
- What are we, as Christians, called to be and do? What is our mission?

Each session will include a short video, scripture readings, lively discussion, and homework. While this course originated from questions raised by new members, everyone is invited and encouraged to attend. Our goal is to present this class more than once per year.

Christianity 101 will be offered on Sundays at 10:30am. We will begin February 8th and conclude March 15. Facilitators for this class will be Josh Weir and Rev. Eric Heinekamp. Please contact the church office with any questions.

What's Cooking? Knox Helps Feed Hundreds...

An excerpt from the St. John United Church of Christ, Aurora Illinois newsletter...

These days, ask anyone at St. John UCC-Aurora. "What's cooking?" and we'll tell you about "what we're cooking in" preferring instead to share a cool story of receiving 107 pieces of Cuisinart Cookware for church use and community families living in need. Just three days before Christmas, St. John UCC received just over 10,000 Jewel-Osco trading stamps from generous and kind Naperville friends: More than 8600 saver stamps were received from Knox Presbyterian Church.

We collected 107 wonderful new skillets, lasagna pans, lidded pour pans, stock pots and 12-inch "everyday" pans with covers. How did this come about? It seems the good people of Knox Presbyterian Church had

been collecting and saving Jewel-Osco "Saver Stamps" since September 3 to help the women in Families Helping Families (FHF's) living transition program get cookware. When Vicky Joseph, Executive Director of FHF, received an email from Joan Tanck of Knox, offering the stamps, she shared that these families already had all the cookware they needed. What to do? Share the abundance! Make milagritos in the home kitchens of families stretched beyond their financial limits. Help replace the abhorrent cookware in a little church's 1950s kitchen. Vicky connected Joan with the church's pastor, Rev. Cyndi Gavin. The rest is history. And the future! Some families already received sets and individual pieces. St. John's monthly Community Clothes Closet will offer some of the pieces. Some are left over for the good women in Mesa de Maria (Mary's Table), cooking classes for women living in Hispanic family contexts. These little miracles remind us: God is good all the time. All the time, God is good!

- Each Jewel-Osco saver stamp was earned by spending \$10 at JewelOsco. Calculate that; it's over \$86,000 of groceries. Wow! Knox Pres folks enjoy eating! Like Jesus, they come to the table; they break and share the bread of life with beloved of God.
- Each piece of cookware "cost" between 50 (1-qt pour pan) to 160 (open 12" skillet) saver stamps. Stamps. ☺
- Ten different pieces make a cookware set retailing for \$400.
- Many, many of the families in our community use cookware made with unsafe metals or cook in pails made for cleaning. Though the safety of cookware is constantly debated, everyone would agree cooking pails and old Teflon skillets from the 1970s are unsafe.

Stay & Serve for Hesed House's Transitional Living Community (TLC)

On January 10th more than 40 men donated a day from their busy schedules to volunteer at Hesed House's Transitional Living Community (TLC). TLC is living community for nearly 60 men, women and children who are choosing to transition from homeless to independence.

Prior to the January 10 workday the Men's Ministry work team met a 10 year old TLC resident who said, "thank you for fixing our ceiling, its falling apart, whenever we eat the ceiling crumbles and lands on the dining room tables and in our food". My mom says it's probably not safe for us".

The Stay and Serve workday started at 8am and the last men worked until nearly 7pm. These men tackled three important projects. They removed the existing ceiling in the family room, dining room and kitchen and replaced the ceiling with over 400 safe, waterproof and custom fitted tiles.

One Great Hour of Sharing Offering

For over 50 years Presbyterians have observed the One Great Hour of Sharing Offering during Lent. Knox has participated in this Presbyterian Denominational Wide Offering for its History. The amount of our Knox Contribution to this Offering has varied from \$6,000 to \$10,000. Many gifts add up to make an impact. For our newer members we may think of this offering as the Lenten Offering.

This offering gives us a chance to give something extra to areas that are truly in need. The Presbyterian Church (USA) along with other denominations, make a great impact in helping put our gifts to good service. For more information read your weekly bulletin inserts during Lent. There are envelopes in the pews for your generous contributions. If you have additional questions, contact one of your pastors or Mission Council members or Anne Sherren 630-932-0481. Knox Collects the One Great Hour of Sharing Offering each Sunday during Lent, beginning Ash Wednesday with the culmination on Palm Sunday.
