

A Letter from Rev Deb

Dear Friends,

As a girl I loved to climb trees and to find a little niche just my size from which to perch. I marveled at the great trees of the Midwest every summer as we came east from California to visit my grandparents. Trees galore - a young climber's paradise.

My home state of California is not without its own forests and trees to be sure. But, where I grew up in Central and Southern California, the trees were generally shorter and more spread out. And somehow, climbing a saguaro in Antelope Valley where my Aunt lived, just didn't speak to me....

Psalms 1 has spoken to me of late...

Happy are those whose delight is in the law of the Lord..
On God's word they meditate day and night.
They are like trees planted along streams of water,
Bearing fruit in season - their leaves never wither...

Here we have been deluged with rain and storm so that our streams are overflowing.
In California the land languishes with drought.

These strong images call to mind the reality that our spiritual lives have seasons - seasons of strength and renewal and seasons when we feel parched by challenges of life and the world around us. Who doesn't want to feel happy and delighted? Who doesn't want to quench a thirsty or restless spirit?

I hope you may find a spot of shade this summer season in which to remember God's shelter and provision. I hope you meditate, even day and night, upon God's law and good news, which tell of God's great family tree. For you and I are the branches of this vast tree and it is the very source of our life and renewal.

Blessings in Christ,
Deb

Summer Worship Emphasis - "The Best Story Ever!"

Discover how you are a part of God's continuing story of grace. We will enjoy meeting some of our biblical forebearers each Sunday morning, whose courage and faithfulness still inspire us today. As we learn how God was at work in their lives and through them, may we come to cherish our Biblical DNA.

This summer we will be inspired and challenged by our mission teams as they

return to share the way God has been at work with them and through them. They will uplift us by sharing the good news in a bad news world.

The best story ever is God's story of redeeming love. May we be encouraged that God is at work in and through us as we seek to keep the story alive and ever going forward to transform lives.

So - don't miss Sunday morning worship this summer! It will be the best ever.

"Meet the Family!" - Our Biblical Heritage

Get to know well known and lesser known biblical personalities from both the Old and New Testament. Learn about the contexts of their calling, how God was at work through them and how they can still offer us guidance today. We began with David, Abigail and Nabal and decided that Abigail was indeed a wise

woman. We sorted out all the biblical "Marys" one from another and marveled at Hosea the prophet, who was told to marry a prostitute. Lots more to come! Come as you are able and bring a friend!

All classes welcome newcomers of all ages and biblical knowledge.

Sunday

10:30 am - We are beginning a new unit: Great Minds of the Medieval World. This is a good unit for Summer as the lectures are pretty much stand alone and one can miss a week or two and not fall behind. The video lectures are by Dorsey Armstrong, a professor at Purdue University.

Scott Moreau Pastors Education Fund

NEWS FROM NAIROBI, KENIA - GRADUATION TIME

At the start of each academic year, students at the International Leadership University in Nairobi can apply for a scholarship at the Scott Moreau Pastors Education Fund. Since 1992 this Fund has sponsored over 30 students who are part of God's work in Africa. Once the applications are in, the Scott Moreau Fund Steering Committee selects a number of students who will receive a scholarship made available by the congregation of Knox. Recently, Knox received letters from all 5 recipients of the 2015-16 school year. Each letter indicated how important this scholarship has been. Below are 3 excerpts of letters of those students who will graduate in August 2015:

Eric Kanyungu King'ori

This scholarship enabled me to complete my last semester of school with peace of mind. I had a school fees deficit that the scholarship covered perfectly. It was a prayer answered and miracle. Now I can look forward to graduating in August and giving back to my local church even more dedicatedly. I am awed by God's goodness and blessed by Knox's kindness.

Titus Mutuku

This scholarship from Knox has been a great help because I was able to clear for my third year course and prepare for graduation, surely it was the Lord's doing.

God is really preparing me for the ministry he has called me to serve him in, and I am ready to be used by him in whichever way he wishes. My prayer request is for the new churches we are planting so that the Lord may bring the vision to a reality.

Davidson Mwangi

It has, without doubt, meant the world to me. It came at a time when I had to choose between my education and that of my son. I chose to give way for my son. Thankfully, this Knox scholarship came in at that time of need. Words can't suffice to express my gratitude.

Please pick up a Scott Moreau Fund brochure in the Commons area in case you would like to read more about this mission.

Thank you for your ongoing support,
