

## A PRAYER FROM REV DEB

### Kingdom Community

*"They tell of the glory of your kingdom and speak of your might, so that all people may know of your mighty acts and the glorious splendor of your kingdom. Your kingdom is an everlasting kingdom, and your dominion endures through all generations. The Lord is trustworthy in all he promises and faithful in all he does."*

Psalm 145:11-13

Dear Friends,

My friend from Bible study said, "I couldn't have fallen down if I tried! I was that shored up." She crystallized in words what I had been experiencing. I too had been held up by prayer, care, and ...community. Another bible study friend responded that day with, "Imagine if we woke up today with only the things we thanked God for yesterday!"

During times of significant life change, loss, uncertainty, or just the endless day to day, the question is not "what's in your wallet?", but "what will "shore you up"? And the question which follows is "what can I do to help shore up others?"

God's community of believers can remind us of our need for one another and our ability to help one another. We experience Jesus sacrificial and authentic love. What's more is we can offer this in return and with others offer a healing portrait to a hurting world. In gratitude, we respond to what God has done, is doing and will do.

Most of us are part of all kinds of communities - large and small. We go from extended family and friends to work to organizations to neighborhoods to schools to the city we call home. We talk about being part of a global community. Children call us into specific kinds of community such as their school and organized sports or interest activities. Friends are sure we have the right gifts of leadership in yet another venue!

Whose community serves others in genuine, joyful **response**? Beyond self, beyond return, beyond product? God's Kingdom Community .....I'm sure of it. I've seen it. I've been a recipient. It is truly one of God's kingdom blessing!

Blessings to you in Christ!  
Deb

### **“The 21st Century Challenge: America’s Changing Role in a Multi-polar World”**

**Speaker: Morgan Plummer, U.S. Army**

In the fifteen years since 9-11, the world and America’s place within it has undergone significant change. The clash of cultures--and religions--has played a key part in these changes, and the road to peace is fraught with both dangers and opportunities. Come hear Morgan Plummer address these and other issues from the perspective of a Senior Defense Official in the U.S. Army, having served four tours of duty in the Middle East and most recently as Chief of Staff of the Undersecretary of Defense. Morgan earned his Masters in Policy Management from Georgetown University (at the behest of the Army) before being placed at the Pentagon.

October 9 - 7:00pm to 8:30pm in Lehman Hall  
(refreshments served at 6:45pm)

### **“Humanity after Catastrophe” - from the perspective of Dietrich Bonhoeffer**

**Speaker: Dr. Reggie Williams, McCormick Theological Seminary**

What does it mean to be human after the atrocities committed by a civilized nation in the name of Nazism? What does it mean to be a disciple of Jesus Christ? Come hear Dr. Reggie Williams, Professor of Christian Ethics at McCormick Theological Seminary address these and other issues from the perspective of Bonhoeffer's theology of political engagement.

Dr. Williams received his Ph.D. in Christian Ethics from Fuller Theological Seminary in 2011. He is the author of Bonhoeffer’s Black Jesus: Harlem Renaissance Theology and an Ethic of Resistance (Baylor

University Press, 2014) and recently wrote an article for The Christian Century entitled “Seeing Whiteness: Exercises in Understanding Race” (July 7, 2016).

# CHURCH NEWS

## The old hymn goes like this:

“Blest be the tie that binds our hearts in Christian love”; and that describes the musical camaraderie that takes place every Thursday evening at 7:30 in the sanctuary. If that little voice inside your head is saying that it’s time to share that little voice “out loud” with a fun and fulfilling organization, then NOW IS YOUR TIME to join the Chancel Choir – either for “a season” or longer. Give it try by contacting Curt or Jan; [jparry@knoxpres.org](mailto:jparry@knoxpres.org), or simply show up at a rehearsal. The first ones are on September 1st and 8th in preparation for Knox Fest on September 11.

## Michal Baker Joins Knox’s Staff as Financial Administrator

Knox is excited to welcome Michal Baker to the role of Financial Administrator upon the retirement of Rita Eagleson. Michal and her family are actively involved in the life of Knox and Michal has volunteered regularly in many of its activities, including our front office. She was a CPA while working for McDonald's Corporate Headquarters providing accounting services for company owned stores. Michal is very familiar with Knox’s many ministries and missions. She has a heart for people and looks forward to serving our congregation and its members in their financial interactions with Knox. Please warmly welcome Michal in her new role as Financial Administrator!

## Telling Our Story: Knox Photography

We are going to start a photography program at Knox of our daily and weekly activities throughout the year. There are so many activities that anyone who wishes to participate by taking pictures of activities from your cell phone or other cameras can feel free to do so. We want to show those pictures on Facebook, Instagram, and or Twitter to show everyone who checks Knox out what is happening and what we do every day. We not only want to see ourselves and enjoy the good times again, but show the world outside of Knox what we do in worship, in work, and play. Contact Ron Wachholtz, at 630-723-9025 or my email—

[rewachholtz@gmail.com](mailto:rewachholtz@gmail.com) to get details for your activity if you are in charge of it and/or need help getting someone to record your Knox activity or you don’t know who to give your photos to after your event. I promise we are not creating a contest here, but I will say that the craziest, most exciting, serious, beautiful events will probably be shown more than once during the year and yes cuteness does count.
