

A LETTER FROM REV DEB

Dear Friends,

Each year as we approach Lent, it becomes annually clear why this season received its name. People say with zeal, "Have you noticed? The days are getting longer?" Or, there is this statement, "Look at that! 5:00 pm and there's still a little light outside!" I never cease to take it in with amazement! And so I look forward to Lent and the 'lengthening' of days and the inherent hope this brings.

Yes my friends, the days are 'lengthening' and our hearts take stock. With anticipation, we count the added seconds and minutes of daylight. Our spirits know what's around the corner-Easter, spring and the world coming alive once again. There are winter months ahead and the challenges of storm, plunging temps and eternal grayness the weather can bring, but we know!

We know the hopefulness that carries us toward Christ's Resurrection. We know the deep meaning of reading and hearing once again the stories of his healing ministry and teaching. Each year during the slow lengthening of days, we hear something different, understand his promises anew and experience the refreshment of his grace.

Whatever you take on or give up during Lent, may it draw you nearer to our Lord. May you know the profound riches of his mercy and grace. Together, let us brighten the days of others around us.

"Not looking to your own interests but each of you to the interests of the others. In your relationships with one another, have the same mindset as Christ Jesus: Who, being in very nature God, did not consider equality with God something to be used to his own advantage; rather, he made himself nothing by taking the very nature of a servant, being made in human likeness."

- Philippians 2:4-7

Blessings in Christ,
Deb

Lent 2018 - "kNOw Mercy"

1 Peter 1:3 - Praise be to the God and Father of our Lord Jesus Christ! In his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead.

The word mercy is central to our understanding of God. Throughout scripture mercy is of God and from God. In fact, Pope Francis wrote a book recently entitled, "God's Name is Mercy". God is merciful through his compassion, forgiveness and steadfast love. Lamentations 3:23 reminds us that God's mercies are new every morning, extended to one and all. This reality empowers us to receive God's gift of hope and change. We are then able to extend it to others, as we follow in the merciful footsteps of Jesus.

Matt 5: 7 - Blessed are the merciful for they shall receive mercy...

This Lent we turn to mercy because it is desperately needed in our world today. It is the great uniting force between people and enables us to carry and lighten one another's burdens.

Great is your mercy O Lord! Ps. 119:156

Ash Wednesday Service

7:00 pm – Feb 14

As we enter Lent we come together as a community to worship together, to be still and to recognize our own humanity. Begin this season by reflecting with thanksgiving the gift that God has given us in his son Jesus Christ. Resources will be available at this service and throughout Lent to aid in your own discovery of walking in the footsteps of Christ.

CHANCEL CHOIR PRESENTS

"I am the Lord of the Dance"

To begin our Lenten season, the Chancel Choir will present *"I am the Lord of the Dance"*, a cantata composed and arranged by Joel Raney.

"Sydney Carter's classic hymn, 'Lord of the Dance', is a metaphor of the life of Christ. In beautiful, poetic language, Carter describes Jesus as The Piper, calling His followers to the dance of life." It will retell the story from John 3:16, "For God so loved the world that he gave his only Son, so that everyone who believes in him may not perish but may have eternal life."

Come and let the music and poetry speak to your heart, as we look to Christ's life and the miracle of his walk with us.

Muslims – Christians & Jesus

Everyone is invited to join our on-going study of Jesus and the outreach to establish new relationships to area Muslims through developing new friendships. Last year a group from Knox studied the Book Muslims, Christians, and Jesus, and discovered that both of our faiths believe in One God and that Jesus was sent by Him to all the world. This, and many other facts, enlightened us, and as we discovered many new views about the Islamic faith, as we studied for 9 months together.

This month of February, we will be gathering again to expand our understanding and start reaching out to

members of our local mosque to share fellowship in an attempt to better understand and support each other. As Jesus showed Mercy to the Samaritan women at the well (John 4), we too hope to show Mercy to others of different faiths, through **kindness** and **acceptance**. Presbyterians at other churches have found these gatherings rewarding.

Pat Warren will review much of what we have learned and share new ideas on **Thursday, February 22, 2018, in Room 203, at 7:00 PM**. We encourage anyone who would like – to join us as we begin 2018. We will also have copies of a different book for anyone who attends, which we will be studying as a group this year. In **March**, we are already making plans for a time of fellowship and food with our neighboring Muslims as we attempt to make new friendships.

One Great Hour of Sharing Offering

Around the world, millions of people lack access to sustainable food sources, clean water, sanitation, education, and opportunity. Each gift to One Great Hour of Sharing (OGHS) helps to improve the lives of people in these challenging situations. The offering provides us a way to share God's love with our neighbors in need. In fact, OGHS is the single, largest way that Presbyterians come together every year to work for a better world.

One Great Hour of Sharing, received during the season of Lent (February 14 - March 25), makes a difference in the world through three impactful programs:

- Presbyterian Disaster Assistance (PDA) works alongside communities as they recover and find hope after the devastation of natural or human - caused disasters.
- Presbyterian Hunger Program (PHP) takes action to alleviate hunger and the systemic causes of poverty so all may be fed.
- Self - Development of People (SDOP) invests in communities responding to their experience of racism, oppression, poverty and injustice and educates Presbyterians about the impact of these societal ills.

Knox has participated in this Presbyterian Denominational Wide Offering for its History. The amount of our contribution to this Offering has varied from \$6,000 to \$10,000. For our newer members we may think of this offering as the Lenten Offering.

This offering gives us a chance to give something extra to areas that are truly in need. The Presbyterian Church (USA) along with other denominations, make a great impact in helping put our gifts to good service. For more information, read the bulletin inserts during Lent. There are envelopes in the pews for your generous contributions. If you have additional questions, contact one of your pastors, Mission Council members or Anne Sherren 630-932-0481.

Knox will collect the One Great Hour of Sharing Offering each Sunday during Lent, beginning Ash Wednesday (February 14) with the culmination on Palm Sunday (March 25)
