

A LETTER FROM REV DEB

Dear Friends,

Summer has come to us with a stormy entrance, but the world has come alive around us. Thanks be to God! It is the good ol' Midwest, where sometimes we experience four seasons in a day! May these months be a time of joyous celebrations and a time of enjoying God's glorious creation.

Deb

A Summer's Prayer

*Come summer with me, Lord;
summer deep down in my soul;
restore my faith in summer's time,
in rest, in joy, in play, in you...*

*Summer in my heart, Lord,
and dwell there*

*as if time would never end,
as if all time were children's time, eternal time
when school is always out and joy is ever in...*

*And let others summer in my shade, Lord,
and share whatever summer's peace is mine to give,
whatever summer's light is mine to shed,
whatever summer's warmth is mine to share...*

*Good God of every season and every day this week,
come summer with me, Lord, and let the child in my heart
spend this summer in your love.*

Amen.

(A prayer by Fr. Austin Fleming who blogs at "A Concord Pastor Comments." Guideposts)

SUMMER WORSHIP HIGHLIGHTS

The word mission means 'to be sent' and June at Knox is definitely a time of "being sent". It is a busy month of sharing good news near and far. Go & Serve, our Youth Mission trip is off to Alma, Michigan. VBS begins at home the following week. Sisseton Mission Trip to South Dakota follows. All will be shared in worship along with the celebration of Father's Day. Add some graduations and weddings and we've got a perfect June ahead.

As is said to those we love and care about - "Don't be a stranger". Don't be a stranger during these summer months. It is a great time to introduce friends or neighbors to Knox as well.

Join us in worship.

Share in the Body of Christ!

Every Saturday evening - Saturdays @ 5 with "Godly Play" for children.

Every Sunday morning at 9:00 and 10:30 am with summer Sunday school for children.

Hospitality at Knox - You Make the Difference

Introduce yourself to someone every week -

Knox is known as a friendly and warm community. Every Sunday is an opportunity to introduce yourself to someone you haven't met before or to welcome a visitor to Knox.

Take a visitor to the Welcome Booth -

Did you meet someone visiting at Knox last Sunday? Be the one to take a few moments to take them to the 'Information Booth' where they can be greeted by one of our Welcomers and find additional information about Knox programs and mission.

Invite someone to Knox. Invite someone to encounter the living Christ (perhaps for the first time) through Knox, through a bible study, a special event or worship.

PRESBYTERIAN WOMEN

Women on Wednesdays concluded their study of Bad Girls of the Bible and will take a break for the summer. Watch upcoming newsletters for announcements of our new fall study to begin in September. WOW welcomes women of all ages and Bible knowledge and includes childcare for little ones from birth to age 5. Questions? Contact Robin Kolar at skolar7227@aol.com or Margaret Lambka at mlambka2@gmail.com.

New Program - Mom to Mom

Do you feel like you have to be "Super Mom" to get everything done? Do love being a mom but find yourself exhausted at the end of the day? Do you wish you could talk to other moms and professionals to seek help?

You are in luck!

Mom to Mom is coming to Knox in the fall of 2018. It will be a sanctuary where moms can visit with moms, learn from one another, and seek the advice of professionals. If you want to be a part of this group, contact Linda Adcock (lindaadcock7@hotmail.com).

Childcare for children five and under will be provided.

I can do all things through him who strengthens me. – Philippians 4:13

Thank you to all the circle leaders, their members, and the coordinating council for your dedication to Knox Presbyterian Women. You were faithful in your service and in your attendance. Knox has four circles which meet for fellowship, Bible study, missions, and service – some during the day and one at night. If you would like to join one or create a circle, please contact Linda Adcock (lindaadcock7@hotmail.com).

Alums from Mothers Sharing have expressed some interest in forming their own circle now that they are at a different stage in life. PW Coordinating team is happy to help you create your own unique group which is "not your mother's circle."

Hand's, Heart's and Trowels

Do you have a few extra hours to spare doing an activity you enjoy? Please consider sharing the beauty and peace that a garden brings by helping the Counseling and Transitional Living Center of Family Shelter Service. Located an easy drive down 75th Street to Downers Grove.

Join a PW gardening group Monday June 4

and/or June 7 9:00 - 11:30

- ☐ PW has generously allocated funds to plant in containers and beds.
- ☐ The center has a sizable, private backyard where clients and their children enjoy the outdoors

- ☐ Are your perennials in need of thinning? Easy care sun-loving plants such as hosta lilies, day lilies, daisies, Iris would go a long way.

In addition to our flowers and time, any of the following items would make a big difference; please consider donating if you are changing up your garden, or doing a little spring cleaning:

Garden statuary

MISSIONS AT KNOX

Here is a note about the Sisseton Mission Trip

Families,

Knox has a Mission Trip each June in Sisseton, South Dakota. It is a great opportunity for families with children of all ages. It is a very meaningful experience and I still remember my time serving on the Sioux Reservation when I attended Go & Serve in High School.

This year the trip is from June 23 - 29. For more detailed information see above.

Below are three testimonies from some of our own Knox kids to help you get a better idea of what the week will be like...

For the past 14 years of my life, each summer at the end of June my family and I have traveled to the Wahpeton Sioux Reservation nestled in the rolling hills of South Dakota. This trip has always been meaningful despite whatever age I was. Life on the reservation is quite a cultural comparison to life here in the suburbs, a slap of reality to my somewhat sheltered life. This trip has drastically impacted my perspective and outlook on life. Each year as I help with the vacation bible school program I find myself receiving far more than I am giving. The love the children of the reservation give is unconditional, an experience like no other, one you can only get in Sisseton. The green rolling plains which the sun melts into can be seen nowhere but Sisseton. The old white wooden churches perched atop a hill, with a history that dates back decades can't be found anywhere but in Sisseton. This trip has allowed for me to grow personally, with members of Knox, with members of other churches, and most importantly it has allowed for me to show love to those who need it the most. "I will not leave you as orphans. I will come to you." John 14:18

- Erin Kolar, Knox High School Senior

My name is Willow McPeck I am a 12 year old girl and I would like to tell you about my experience in Sisseton, South Dakota with the Dakota Partnership. This past year was my second year going to Sisseton. We do a few things in Sisseton such as VBS and construction on old churches. This year I helped with the preschoolers in VBS. I had a lot of responsibilities, like to help the kids off the vans and escort them to the classroom, to play with the kids and keep them engaged, and I helped the teachers pass out items along with the lunch. I had lots of fun and loved that I got to see some of the friends I made last year and see how they had grown so much. I was also able to make new friends. Some of the kids struggled as this was new to them and we were new faces. But we made the best of it with songs, stories, and crafts. We even went to the pool and enjoyed time playing there. All of us were served great food by the wonderful kitchen team. I was glad to be part of the team and share God's love with the kids of Sisseton. It was so nice to see people from different churches and backgrounds come together to share God's love. On the last day, I was even able to help my mom who taught music by racing the kids in a song that they had practiced all week. I would be happy to teach you all if you just ask. Going to Sisseton is so awesome and I can't wait to go back. Hope that some of you will think of joining me, my family, and friends in Sisseton next year.

- Willow McPeck , Knox Sixth Grader

My name is Mason McPeck and I am a 10 year old boy. Last year I attended my second year with the Dakota Partnership in Sisseton, South Dakota. Both years that I have been to Sisseton with my family I have worked with the construction crew. At first you wouldn't think that a young boy of 8 could do much but in my first year I collected nails that were discarded from the removal siding and a roof to keep the site safe. I also was a runner on the site moving boards, passing tools, and relaying measurements. The second year I did much of the same but was a bit stronger so I could help a bit more in moving scaffolding and tear down some of the boards. I really enjoy working on the site and seeing the old things that come out of walls and seeing what we can do to make the churches and buildings last many more years to come. Meeting others who also enjoy being the hands and feet of Christ and bringing the love of Jesus Christ to the people of the Dakota Sioux Nation is a true joy. I really can't wait to go back each and every year as I love to see my friends that I have made and working hard for others.

Swimsuits For Sisseton

The Sisseton public pool expects everyone in a swimsuit. Most of our VBS kids don't have suits. So we need to bring the suits to them. With around 165 kids, we need all the help we can get, getting those kids outfitted. We will take any swim suit; any color, size, sex and type. Gently used or new ones. All the suits need to go into the mission box between Lehman Hall or the coffee bar. We especially need **girls 3T to size 10 and any size boys.**

Do you know anyone on or with a swim team? Julie Milldrum is teaming up with some swim teams and they have donated many suits that the kids have out grown. We would love to have any connection we can with any swim team Any questions Julie Milldrum 630-470-7044 or 630-717-8240.

Linens for Sisseton

Spring cleaning done and you don't know what to do with those linens that seem to have multiplied. Sisseton is your answer. People on the reservation need those Towels, blankets and sheets to feather their nest. Place them in the mission bins by Lehman Hall. Any Questions just call Julie Milldrum 630-717-8240 or 630-470-7044

Are You Coming?

Come to South Dakota Saturday through Thursday June 24-29 and to Montana July 15-21, to serve Christ among the beautiful Dakota Sioux People. "The harvest is plentiful, but the workers are few" (Luke 10:2)...Are you being called to love? Each year, the Dakota Partnership brings the message of God's love to many hundreds of children in South Dakota and Montana who can't wait for us to return! Out on the Great Plains, both individuals and whole families come to serve in Vacation Bible School, preparing and serving meals and taking on work projects at historic country churches dating back to the 19th century. Our workers come from churches and ministries across Chicagoland and stay in local motels, eating their meals together. All ages are welcome and many families come to share this life-changing experience.

Faithfully Fit - Summer 2018

This year marks my 20 year anniversary of completing my very first Chicago Triathlon. As I was visiting over the Christmas holiday with my buddy Drew who did the race with me way back in 1998, we started to reminisce...and ultimately decided to give it a whirl again. I've done the race a handful of times over the years, and it's amazing each time. We do the Olympic distance which requires a .9 mile swim in Lake Michigan, a 25 mile bike on Lake Shore Drive, and a 6 mile run through the Museum Campus and Grant Park.

In order to do a race like this you simply have to do two things: 1.

Train your body. 2. Keep a positive attitude. 3. Start my day with God.

As famed management guru Peter Drucker liked to say, "you can't manage what you can't measure." Over the years, I've used various methods to track my training progress: spreadsheets in the old days, and more recently I use apps on my smartphone like Map My Run, Strava, and the iPhone Health app. I also have tracked my weight consistently since 2006, weighing in every Monday morning (maybe that means one less cookie Sunday night knowing I have to get on the scale the next day!)

In addition to training your body, you need to train your mind. Invariably you will have aches, pains, and injuries over the course of a 3-8 month training season. Keeping a positive outlook on this and understanding that it's all part of the deal makes an enormous difference. I've found that starting my day with a devotional really sets the tone for my day and keeps me focused on what's important in life. Some of the devotionals I read come in via email, like Wisdom Hunters and Max Lucado. Other devotionals are part of short bible studies that I do with my wife, Kedra. The You Version bible app has all sorts of great plans that you can read on your own or with a friend. Another way to keep that positive attitude going is to be in relationships with other folks that have similar goals. There really is nothing like a little encouragement, friendly competition, and accountability to get you off that couch and living your most fulfilling life!

Worship, Music and Arts Council Needs A Flower Coordinator!

Our friend Maribeth Smith who coordinates the Flower Arrangements for Sunday Services as well as during the Holidays will be moving to Alabama later this year. Maribeth has been a delight to work with over the past two years, and she brought a refreshing enthusiasm and joy to our Council. She will be relinquishing her duties effective June 1, 2018.

The Flower Ministry works in conjunction with Celidan Florists right across the street from Knox by Casey's. It's a great way to meet new friends at Knox, as well as being a very important part of our Worship, Music and Arts Council.

If you would have an interest in being a part of this wonderful ministry at Knox please contact the Knox staff or Worship Elders Mike Komma or Dawn Pakkebier at the email or phone numbers noted below. Maribeth will be available to help train the new Coordinator. Thanks for your consideration of this very visible part of our Knox Family Ministry!

Veteran's Recognition Sunday July 1

We will celebrate our many freedoms, especially the freedom to worship, the first weekend in July. We want to honor all of our veterans for their service on Sunday, July 1 during both worship services. We will have a boutonniere and name tag for each of our veterans. Please contact Bev Mayer, Pastor's Asst. at 630-615-4325 if you will be able to join us. There will be cake and coffee during fellowship time between services to continue our celebration. If you are not able to join us please call the church office and let us know you served so we can recognize you in the bulletin.

Security & Safety Committee

A new committee has been formed to address issues of security and safety at Knox, which has been active now for two months. The goals and objectives are to improve the security of our facility and initiate procedures for the safety of our members, particularly the youth programs like CDO and Wednesday Nights. As these efforts proceed further, the committee will keep the congregation up to date on progress and plans.

MINISTRY TO SENIORS

Need a ride to the Doctor? RAN can help!

Ride Assist Naperville (RAN) was founded in April 2016 to provide affordable and dependable transportation for seniors in our community, and their caretakers, to their medical appointments. RAN is a program under Naperville Seniors in Action (NSIA), a 501(c)(3) organization.

How does the service work?

This exciting initiative pairs seniors who need rides to and from their medical appointments with a volunteer driver to take them to the appointments, wait with them, and then drive them back home. Seniors (minimum age 60) must complete an application prior to requesting their first ride. Rides are by appointment only; a minimum of 5 business days advance notice is required. We ask for a \$12 donation for each round-trip ride. No money is given to the driver and no tipping is allowed; an invoice is sent the following month. All of our insured drivers are volunteers who use their own vehicles to provide transportation.

Rides covered:

Any type of medical or dental appointment (excludes procedures/surgery where anesthesia is administered), including regular check-ups, pacemaker checks, blood tests/lab work, vision, hearing, dialysis, x-rays/scans, wound care, physical therapy, chemotherapy.

We are pleased to say that it was another successful year for teen-age participants and their young families who enjoyed a meal together along with group discussions and educational programs. The participants and TPC staff often comment about the generosity and hospitality of our congregation!

Many Knox organizations and individuals have contributed their time, food and love to these young people each Tuesday evening and we wish to give a **HUGE THANKS** to all of you. We are also sincerely grateful for the support and guidance of Pastor Cindy, The Mission Council, Ron Mobley and his staff, and our wonderful office personnel.
